Dear Jane

Welcome to the BSIF Registered Safety Supplier Scheme

We are pleased to enclose your Certificate and confirm your status as a BSIF Registered Safety Supplier for the next twelve months.

The RSSS is becoming the hallmark within the Industry, increasingly asked for as a qualification in PQQ's and Supply Accreditation. Displaying the RSSS shield illustrates your credibility, trustworthiness and expertise in safety supply as the number of user organisations and project specifiers who make it a condition of eligibility to supply PPE continues to grow.

Your undertaking also requires co-operation with our independent auditors at intervals during your registration to confirm that you continue to abide by the commitment you have made.

We look forward to your onward pride in being part of the Registered Safety Supplier Scheme for many years to come. If you have any questions or would like further information please do not hesitate to contact us.

Yours sincerely,

Frank Angear
